

ALL-NEW KORANDO

Korando boasts a distinctive style, from the front it is both fresh and new, whilst maintaining a clear SsangYong-look in common with Tivoli and Rexton.

In profile that SsangYong family feel is extended with a strong outline, bold character lines and powerful wheel arches, as seen in recent models.

Korando, a very modern car that feels at home anywhere. With versatility at its heart, Korando is as good for city driving as it is for weekend getaways.
