

ALL-NEW

MUSSO GRAND

Evolving with the times, the new Musso Grand is a genuine pickup truck that combines advanced technologies with all the practical features of a traditional pickup.

Musso Grand stays true to its roots as a traditional pickup truck: It is designed not only for daily commuting but for operation in a wide range of environments and industries, including farming and construction.

The new Musso Grand is here with a style that is bolder and more powerful than ever.

Some Features Shown May Vary From Model Available.
